Intercollegiate Broadcasting System
BETHLEHEM, PA.
215 - 868-4121

Dear Station Manager,

Your station is on our records as a <u>conditional</u> member? Why not a <u>full</u> member? You have not as yet sent in your T-124 Broadcast Facilities Questionnaire.

I.B.S. cannot grant you full membership without this form. In the next few months IBS plans to do a great deal of promotion of our media to the broadcast industry. We would like to be able to list your station as a fully competent member of the college community. We cannot do this, however, without knowing your facilities.

For your sake and ours take care of this matter today. Be a full member of the Intercollegiate Broadcasting System.

Sincerely,

Fritz Kass,
Director, Member Services
